FREE SERVICE CALLS FOR FIRST SEASON	ASTM APPROVED POOL ALARM

Your swimming pool will be built with the **highest quality**, American-made materials, and superior workmanship, with over 30 years of installation experience. The structure consists of a heavy-duty galvanized steel wall, or composite wall, polymer steps, and a dent resistant vermiculite bottom. Foam will be applied to the inside pool wall for liner protection, insulation and finished appearance. All pool walls carry **lifetime warranties**, and all parts and labor are warranted by Pools Plus...

The heart of your pool is manufactured by Hayward. Field proven, a Hayward Pump and Pro-Series Sand Filter will provide your pool with the proper circulation and filtration needed for any pool. Advanced filtration media and a Hayward automatic chlorinator will help keep your water sparkling clean, making this the **lowest maintenance system** available! After all, pools are intended to be enjoyed; not stressed over.

Your pool will also include a safety cover, vacuum kit, safety rope, balancing chemicals and end of season closing in the first year. These products and services will ensure your first year and ongoing ownership of your pool is a delight, not a headache. As a top pool builder, we will customize every aspect of your new pool, as many more fun and exciting options are available upon request.

Your new pool system built by Pools Plus...has a proven track record for **easy maintenance, dependability** and **safety**, giving you and your family years of backyard fun. Our goal at Pools Plus... is to provide the highest quality products, outstanding customer service and superior craftsmanship.
