“The Vinyl Liner Specialists”

In-Ground Packages Include the Following:

CONSTRUCTION	DETAILS
Lifetime Warranted Pool Walls	American-made, strength and dependability. Locally manufactured @ Imperial Pools in Latham, New York.
Vermiculite Floor	A concrete composite that is “softer” and more forgiving than abrasive concrete. More expensive and labor-intensive for US, but it’s worth it!
Deluxe Wall Foam	Helps to protect your vinyl liner and is kind to swimmers!
Commercial-Gauge Vinyl Liner	Beautiful virgin vinyl liner with sunshield protection – so many designs! The heaviest liner in the industry!
Concrete Receptor Coping	Making your concrete decking to the pool edge seamless.
8 Foot Polymer Walk-In Stairs (Saratoga Step)	Aesthetically pleasing polymer steps – nonskid and easy to keep clean. Measures above and beyond your pool size without taking away from useable pool area.
PVC Unions (Easy Maintenance)	Never struggle with plumbing – unions keep pipe sections easily accessible and allows for proper winterization.
